

No. 430, A.]

[Published September 10, 1959.

CHAPTER 404

AN ACT to amend 161.08 (1) of the statutes, relating to narcotics.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

161.08 (1) of the statutes is amended to read:

161.08 (1) Administering, dispensing or selling at retail of any medicinal preparation that contains in one fluid ounce not more than one grain of codeine or any of its salts, or not more than one-sixth grain of dihydrocodeinone or any of its salts, *or not more than 2 grains of noscapine or any of its salts, or not more than 2 grains of papavarine or any of its salts.*

Approved September 3, 1959.
